FIFTH DAY—NIGHT SESSION

Opening.—Conference convened at 7:30 p. m. with preaching by Dr. W. J. Young of Emory University. Bishop Denny took the chair and called the Conference to order. The Minutes of Saturday's session and Sunday afternoon's session were read and approved.

Resolution in Reference to Rights of Armenia.—J. C. Roper offered the following resolution about Armenian Relief, which was adopted:

Whereas, in contravention of all the claims of humanity and all the principles of justice and righteousness, the Armenians, an industrious, patriotic and Christian people, have for centuries suffered at the hands of the Turks' massacres, pillage, deportations and other unspeakable persecutions that threaten their extermination as a race; and

Whereas, at the outbreak of the World War the Entente Powers solemnly guaranteed to Armenia that the country would be completely delivered from Turkish rule and established in national independence on condition that she fought on their side to save Christian civilization, which condition she faithfully fulfilled to the last limit of her ability; and

Whereas after the war, to which the United States had become a party on the Entente side, the Peace Treaty with Turkey was delayed for nearly two years because the victorious Allied Powers were waiting on the Government of the United States to give a definite answer as to assuming the Mandate over Armenia, to which the Constituted Authorities had led Armenia and the Powers to believe our Government was favorable; and

Whereas after our Government had recognized the independence of Armenia, but rejected the mandate, the Treaty of Sevres which the Allies effected with Turkey in August 1920, provided for setting up an independent and united Armenian State and the President of the United States asked to define its southwestern boundaries, which he did; and

Whereas within a month after the signing of this treaty the Turks attacked the infant Armenian Republic and slaughtered thousands of men, women and children, and have never permitted the Armenians to occupy the territory assigned them, in the face of which the Allies now refuse to carry out their guarantee of protection; and

Whereas the facts that the Turks have slaughtered 800,000 Armenians within the past eight years, that 1,000,000 others are now homeless wanderers driven from place to place and that the million still left in Armenia are by robbery and oppression reduced to a condition of starvation and suffering that cannot continue to be endured, warrant us in believing that unless speedily delivered from Turkish misrule and atrocities, the whole nation must perish, for no other reason than the refusal of its people to renounce Christianity and worship the Mohammedan Allah;

Now, therefore, be it resolved by the Upper South Carolina Conference of the Methodist Episcopal Church South, now in session at Gaffney, S. C., on this 12th day of November that it is the sense of this body that in view of the foregoing facts the humanitarian duty which we originally owed Armenia has been transformed into a fixed and binding moral, if not legal, responsibility resting on our Government to insist that the Allied Governments enforce the Armenian part of the Treaty of Sevres, and on their failure to do so, we assure our Government that it will have our hearty support in the adoption of whatever

measures are necessary to effectuate by its own efforts the freedom of Armenia from the further rule of the Turks;

And be it further resolved that the Secretary of the Conference be instructed to transmit copies of this resolution to President Harding, to the Secretary of State and to the two Senators from this State.

Therefore, Resolved, That the thanks of this body are eminently due, and the same are hereby tendered to the homes in which we have enjoyed such generous hospitality; to the churches and offices of the city in which we have found such cordial welcome; to the Epworth Leaguers of Buford Street church for an abundant supply of stationery; to the local newspapers and the Charlotte Observer for the liberal publicity given to our work during this session.

REPORTS

ON BIBLE CAUSE

He whom some call the most brilliant living Italian writer, poet and philosopher found Christ by the study of God's word, which he at first so much hated.

"It is not sufficient," he writes, "to change the laws and forms of government."

The souls of men must be changed, and this without delay. All the evils from which we are suffering come not from without, but from within." He ends his life of Christ with these words: "We await thee, O Christ! every day in spite of our unworthiness and notwithstanding all the obstacles we await Thee, and all the love that we can express will be for Thee, O Christ, for You who suffered for love of us."

The Psalmist said, "The law of the Lord is perfect converting the soul. The testimony of the Lord is sure, making wise the simple." Christ said while He was here upon earth, "Heaven and earth shall pass away, but my word shall not pass away."

He said again, "Search the Scriptures, for in them ye think ye have eternal life, and they are they which testify of Me."

In a pamphlet sent out by the American Bible Society, called "The

Only Way Out of the Dark," these words occur: Reorganization and advancement have been the key words of the year. The circulation of the society has increased hundreds of thousands, approximating the higher levels of past years." Three million one hundred and nineteen thousand one hundred and sixty-eight volumes, at least parts of the word of God, have been sent out in foreign lands.

"In Northern Tennessee an old couple were burned out of house and home and almost all of their earthly possessions. A kind neighbor furnished them a house on his own place and food and clothing. Christmas had come, and the old man had one request, which was for a Bible, that he and his wife might read that day. When one was given him he exclaimed, 'Now me have a home.'"

A missionary from Japan writes: "I have never seen people so anxious to hear about God. The past year has seen the greatness in the sale of the Bible and other Christian books."

We gladly note the appreciation of Bishop Denny of the authorized version, that we love so much.

We call attention to the amounts paid by the district and ask that they be increased:

REPORT OF COMMITTEE OF CHRISTIAN LITERATURE NO. 1

Your Board of Christian Literature has given careful consideration to the report submitted to it by the Board of Managers of the Southern Christian Advocate concerning the circulation and financial standing of that paper.

From the complete exhibit of its financial and circulation status, we present the following facts for your information: The property is valued at \$65,000.00; the present indebtedness is \$22,801.80, as against \$28,247.93 a year ago; the call for a voluntary offering made under the authority of the Conference last February yielded the sum of \$8,316.16; additions to the equipment and improvement of building during the year amounted to about \$1,200.00; due to the fact that before the contest for new subscribers was put on with the Baptist Courier, the paid circulation of the paper had reached the low figure of about 5,500, the current expense account for the year ending September 30, 1922, showed a deficit of \$1,333.35.

The Board of Managers submitted to us the following plan for building up the circulation of the paper: Fix a circulation goal of 12,500 to be prorated to the districts of the two Conferences and by the districts to the charges on the basis of membership; the price of individual subscriptions will remain \$2.00, but the following Club offers are made:

In clubs of 10, all new subscriptions, \$1.75; in clubs of 25, either new or old, \$1.75; one-tenth of church enrollment, \$1.75; one-fifth of church enrollment, \$1.60; all club offers being for cash in advance; the paper in the church budget at \$1.60, with further concession that it can be paid for quarterly in advance.

We recommend that the Conference endorse this circulation scheme and hand it down to the districts to be sent to the charges.

We earnestly recommend the local church budget plan as the best method of handling the circulation of the church paper and call attention to the fact that the General Conference has also endorsed this as the final solution of one of the most important tasks confronting the Church.

We have transmitted to the Commission on Budget with our endorsement the request of the Board of Managers that an assessment of \$3,000.00 be made on the Conference for the support of the Advocate next year and we recommend that the month of February be set apart again for the taking of a free will offering for the Advocate plant.

We request the Bishop to appoint Rev. R. E. Stackhouse, Editor of the Southern Christian Advocate for the ensuing year.

Respectfully submitted,

W. B. GARRETT, President.

M. K. MEADORS, Secretary.

REPORT OF BOARD OF CHRISTIAN LITERATURE—NO. 2

The present Board has completed a quadrennium of service, realizing the responsibilities and duties delegated to it. The work of this Board is important and since the report of the Board of Managers of the Southern Christian Advocate is submitted by this board, we feel that its work is vital as touching the best interests of Methodism.

Your Board of Christian Literature begs to submit the following report, No. 2, Books, Periodicals and Tracts: We wish to call attention to the tracts published by the Board of Managers of Tracts and Evangelical Literature. These tracts are sold to self sustaining churches at cost and are sent free of cost to all mission charges on application. We urge our pastors to use them largely—other denominations are flooding the country with such literature and through this agency are unsettling the minds of many of our people, and many who would naturally join our Church are led to other denominations, some of whose teachings are positively hurtful. There is no commercial interest in this work, all moneys received from this source are at once put into other tracts and the work is thus extended beyond the limited resources of the Board of Tracts and Evangelical Literature. The address is A. J. Lamar, Chairman, 810 Broadway, Nashville, Tenn. We again heartily approve the Book Department of the Southern Christian Advocate.

The Southern Christian Advocate, our Conference organ, is giving us an interesting and attractive page, and we have incorporated in our Report No. 1 plans for placing it in the homes of all our people.

We wish to call attention to the Nashville Christian Advocate, our General organ, and recommend it to all of our pastors and people, as a

periodical worthy of our attention and that it should be in the hands of all of our people.

We recommend that all of our churches use the Standard Methodist Hymnal in their public services.

Again, we heartily recommend the following periodicals of our Church and call the attention of our Conference to the Methodist Quarterly Review, The Missionary Voice, The Epworth Era, The Haversack, The Torchbearer and the Church School.

Respectfully,

W. B. GARRETT, Chairman,

M. K. MEADORS, Secretary.

REPORT OF CLEMSON AND WINTHROP COLLEGE COMMISSION

Your Commission desires to explain to the Conferences why it did not carry out their orders to put on the "Clemson and Winthrop College Sunday," which had been fixed for the second and ninth of April, inclusive. This was due to the fact that the Centenary Movement had announced a "Pay-Up Week" just about this time, and the Chairman of this Commission was asked to postpone the call for colleges.

Therefore, your Commission will ask that the Conference now fix April 3-10, 1923, as the time to carry out the above order.

Your Commission desires to inform the Conferences that it has made a supplementary request from the General Board of Church Extension and through the Joint Commission for \$20,000 for each Clemson and Winthrop Colleges. This request was based upon the fact that at the time we made our original request the General Board did not have

available the funds which were turned over to it by the War Work Commission.

In conclusion, your Commission desires to thank the South Carolina Conferences for levying a special fund of \$1,000 each for the Clemson Commission to use in behalf of the above institution. The Commission would ask for a continuation of this assessment by the Conferences. This amount was ordered to be added to the askings of the Church Extension Boards as a special.

While our work has been unduly delayed, we feel that before the end of another Conference year we will have learned definitely what amount we may expect from the General Board and will have received from the congregations of the State their freewill offerings, and perhaps will have been able to begin work on the above undertakings.

Respectfully submitted,
J. C. ROPER Chairman,
A. E. DRIGGERS,
Secy. for the Commission.

REPORT OF BOARD OF EDUCATION—NO. 1.

Your Board has had submitted to its reports from each of the schools and colleges under the care of our Conference. They are most gratifying in every respect, and indicate the fact that our institutions are holding their place in the very forefront of the educational forces of the

State. We would not have been surprised to hear of a marked decrease in the number of students on account of the financial stringency of the times—and there has been a slight decrease in the opening enrollment of our preparatory schools. But at Columbia and Lander Colleges the number of students is practically what it was last year, while at Wofford the opening enrollment is 100 more than last year. Dr. Snyder reports an entering class of more than 200, with neither dormitory space nor teaching force sufficient to take care of them properly. He says that the necessity for a new dormitory and an increased teaching force is imperative, and unless they are provided, he shall be forced to adopt the policy of limiting the number of students. This situation should not exist, and it constitutes a challenge to the loyalty of the Church to come to the help of her schools and colleges that they may take care of her own sons and daughters who are knocking at their doors for admittance.

As indicated by these reports, extensive improvements have been made at many points. At Columbia College the Vera Young Memorial Library has been erected at a cost of \$13,000, made possible by the generosity of Messrs. S. W. and J. C. Young of Lake City, as a memorial to the daughter of the former, at one time a student there. Besides the library, a handsome brick and stone entrance gateway has been completed—the gift of the students and faculty of 1920-1922. A pipe organ has been installed in the chapel, additional equipment has been purchased for the science department, 26 shower baths have been installed in the dormitories, the class rooms have been equipped with comfortable table-arm chairs and the kitchen modernized by the installation of new machinery. At Lander College a new building has been completed, which materially enlarges the dining room and kitchen space, besides furnishing additional class room and dormitory space on the floors above. Another new building is very much needed for class rooms and to serve as an administration building. The faculty has been increased, but still there is need for additional teachers.

At Carlisle School a beautiful new dormitory has just been completed at a cost of \$30,000, which takes the place of the H. J. Brabham Hall, a wooden structure, which was destroyed by fire during the year.

A summary of other interesting items follows: The total enrollment thus far amount to 1,435. There are 106 professors and instructors employed. The total educational property valuation is \$2,252,731.59 on which rests a debt of \$554,628.78. The endowment funds are \$264,913.00, and there are loan funds amounting to \$30,816.00. In the student body there are 49 young men who are looking to the ministry as a life work, and 68 young people who have volunteered for other forms of Christian service. Each institution reports a fine moral and religious atmosphere. Special revival meetings have been held, or will be held, during the year.

Below are the reports in detail:

Wofford Collegt—430 students enrolled thus far, against a total of 345 for the whole of last year; 200 students in Freshman Class; 23 professors, instructors and assistants. Total income last year (not including income from dormitories) \$53,670.25. Value of buildings and equipment, according to new valuation made by an auditing company, \$658,691.78.

This includes the Fitting School. Productive endowment, \$228,742.76. The increase of \$10,000 over last year's report is due again to added valuation of rental property. The Loan Funds now amount to \$22,193.97. The indebtedness of the college is \$27,000, with approximately \$20,000 in quick assets toward the payment of this debt. There are 27 ministerial students and 4 lay-volunteers.

Columbia College—The enrollment to date is 316, against a total enrollment of 330 last year. The faculty numbers 27. The income of the college last year was \$109,519.24, the largest in the history of the college. The value of the buildings and grounds is \$520,742.00. There is no endowment, but a small Loan Fund of \$850. The total indebtedness is given as \$86,000, a decrease of \$3,000. There is a Christian Life Service Band with a membership of 40, of whom 10 are volunteers, for the foreign field. New library building and other improvements as noted above. The Religious Education Department, which is doing splendid work, deserves special mention.

Lander College—The total enrollment thus far is 288, against a total enrollment of 318 last year. Thirty-one professors and instructors are employed. The total income of the college last year was \$68,901.92. The value of buildings and grounds is given as \$379,252. There is a productive endowment amounting to \$23,670.65 and a Loan Fund of \$7,472. The indebtedness of the college is \$45,565, which is an increase over last year, due to improvements which have been made. There are 10 student volunteers in the student body. Improvements have been made as indicated in summary above.

Wofford Fitting School—The enrollment thus far this year is 111. The total enrollment last year was 159. Eight professors and instructors are employed. The value of the grounds, buildings and equipment is \$84,100. There is no endowment or Loan Fund. The indebtedness of the institution is \$19,554.50, which is a decrease of \$1,449.91 from last year. There are six ministerial students and one volunteer for other Christian service.

Carlisle School—The enrollment thus far is 112. Last year the total enrollment was 168. Ten professors and instructors are employed. The total income last year was \$49,633.72. The value of grounds, buildings and equipment is given as \$160,000. There is a productive endowment of \$5,000 and a Loan Fund of \$300. The school's indebtedness is \$22,600.52. There are six students looking to the ministry.

Textile Industrial Institute—Thus far this year the enrollment is 178, against a total enrollment last year of 187. There are seven professors and assistants employed. The total income of the institution last year was \$8,511.04, of which \$739 was paid on subscriptions from the Upper South Carolina Conference and \$550 from South Carolina Conference subscriptions. The school has an endowment of \$7,500. The value of property is given as \$534,045.11, with a total indebtedness of \$354,509.78. There are ten ministerial students and thirteen missionary volunteers; 98% of the boarding students are Christians, 65% will pray in public, 35% have prayed for an education. More than twice as many students

have been turned away for lack of room as it was possible to accommodate.

Respectfully submitted,

J. R. T. MAJOR, President,

L. E. WIGGINS, Secretary.

REPORT OF BOARD OF EDUCATION—NO. 2

We offer the following resolution at the request of the President and Board of Trustees of Lander College:

Resolved, That the Board of Trustees of Lander College be increased to fifteen, eight of whom shall be elected by the Upper South Carolina Conference and seven by the South Carolina Conference; provided this resolution is concurred in by the South Carolina Conference.

J. R. T. MAJOR, President,

L. E. WIGGINS, Secretary.

REPORT OF THE BOARD OF EDUCATION—NO. 3

The Board of Education asks the Commission on Finance to make the following assessments:

Wofford College	\$10,899
Columbia College	4,168
Lander College	4,168
S. C. Methodist Training School	2,084
Educational Extension	414

J. R. T. MAJOR, President,

L. E. WIGGINS, Secretary.

REPORT OF BOARD OF EDUCATION—NO. 4

Rev. J. C. Roper, Conference Secretary of Education, makes the following report concerning the Christian Education Movement:

1. He has made it a point to meet with the Presiding Elders in their Preachers' Meetings, Missionary Institutes, and especially to present the cause of the Christian Education Movement at the District Conferences. In addition to this, he keeps alive the morale of the Movement by presenting it from the pulpits of the Conference, as far as possible, on the Sunday services. Then, too, through the office, he has distributed thousands of tracts and leaflets, as well as reminders to the subscribers to the Movement, so that they might not only be led to pay their pledges, but also to be kept informed of the objectives that the Church has before it.

2. He has also sought to carry forward the cultural program which was begun two years ago. The success that has been achieved in this line may be indicated by the following facts:

	Total
Family Altars	1,677
Accession on Vows	4,142
Life Service Volunteers	250
Tithing Stewards	1,745

3. Total receipts up to October 25, as indicated by the Nashville office, amounted to \$58,162.99. Approximate total amount subscribed is \$600,000..

4. Cash in bank received since the October report, amounts to \$4,493.33. This, together with the above amount, makes an aggregate of \$62,656.32.

5. The Secretary regards the work of the Christian Education Movement much wider in scope than the collecting of the pledges, as important as this is. And he believes that the outlay in money, apart from the collecting of the subscriptions, has done a vast deal in stimulating interest in Christian education, and in turning the eyes of the people towards our Church colleges. Notwithstanding the presence of the boll weevil in the State, and the financial stringency, Wofford College had the largest number of new students to knock for admission at her doors this fall that she has had in her history. Lander and the Columbia Colleges have all the students that they can comfortably accommodate.

6. Last, but not least, it is believed that our colleges, through their departments of religious education, and otherwise, are now giving an emphasis to the distinctive aspects of Christian Education in a way to bring encouragement to those who are making sacrifices in behalf of the Movement.

7. The very success of the Christian Education Movement in enlarging the student body of our Church colleges has added a great responsibility to meet the additional cost incident to the increase of students. Therefore, money is now an urgent necessity. We must redeem our pledges at once or our colleges will be made to suffer.

8. In order to meet this financial pressure we recommend that the week of December 10-17 be set apart as "Clean-Up Week," at which time the completion of the collection of all first and second payment pledges be made. And in preparation for this work we recommend that District Group Meetings be held preceding this week.

J. R. T. MAJOR, President,

L. E. WIGGINS, Secretary.

REPORT OF BOARD OF EDUCATION—NO. 5

The Opportunity School.

At the last session of the Annual Conference, your Board of Education passed resolutions endorsing the splendid work being done by Miss Wil Lou Gray, under the employ of the State Board of Education, in behalf of the white illiterates of South Carolina, and pledged its heartiest support to her in the project to hold, during the past summer, an Opportunity School for young women who had suffered such educational neglect. To this end an assessment of \$300.00, with which to meet the incidental expenses of such a school, was asked for by the Board and ordered by the Conference.

State Superintendent of Education, Hon. John E. Swearingen, at once, heartily approved of the plan, and kindly consented to pay the salary of the teacher need for the school out of a fund at his disposal for the promotion of education among illiterates. He encouraged the undertaking and aided the movement in every way possible. Dr. John O. Willson gladly opened the doors of Lander College for such service in behalf of the womanhood of our State.

The Opportunity School was held at Lander College, Greenwood, S. C., for four weeks during the latter part of July and the first weeks in August. The purpose of this school was to give an opportunity, for a few weeks each year, to repair the neglect that many girls and young women of our State have suffered at somebody's hands. The patronage was confined to those who were fourteen or more years of age, and who had not completed work equivalent to the fifth grade in the public schools.

Those who were entrusted with the responsibility for the success of this school set out to get an attendance of 100 for the initial session. A few preachers and some of the mill officials in the upper part of the State co-operated heartily, and the management was gratified to enroll 89 girls and young women, all of whom, for one month, did good, faithful work. A new vision was given many of these young women, and they went away from the Opportunity School determined to come back again next summer and to continue to come back until they succeeded in getting a college education for themselves. All who had the privilege of observing the work of the Opportunity School while it was in session were most favorably impressed with its value and the possibility of its rendering an invaluable service in the field of education.

Your Board of Education earnestly recommends that this school be continued, and asks that the entire Conference pledge its heartiest collective and individual support to efforts to increase the enrollment next summer to at least 200 pupils. We ask every preacher and layman to become a recruiting officer for the securing of promising girls who have heretofore been neglected as students. We ask that the Conference grant the Board of Education an assessment for this purpose of \$300.00, to be paid out of the first money collected.

Respectfully submitted,

J. R. T. MAJOR, Chairman,

L. E. WIGGINS, Secretary.

EPWORTH LEAGUE BOARD

The Epworth League Board begs leave to submit the following report:

The splendid increase in number of chapters and membership reported last year has greatly exceeded this Conference year. We now have 192 chapters with 5,652 members, being a net increase of 77 chapters and 1,774 members, since the last Conference.

The outstanding feature of the year has been the growth in efficiency in the Conference and District organizations and in the local chapter work. A loving cup was presented by the Greenville City Union to be awarded annually to the District making the best report; this year Columbia was the winner.

The Missionary offerings this year amounted to \$2,459, being a substantial increase over the amount raised last year.

The Lander Assembly this year maintained the same high standard as of the year before; and, moreover, more study work was done this year than last. A deeply spiritual atmosphere was felt throughout the Conference and on the last night, a large number consecrated their lives to the Master, and several for whole-time Christian service.

The Rev. James E. Ellis was again employed this year for eleven weeks this summer. He visited every district, spoke in churches and made 102 addresses, assisted in five District Institutes and two City Efficiency Institutes, besides keeping in close touch with six District Secretaries.

Again we are compelled to call attention to the fact that Anniversary Day is not generally observed. The offering on that day, if generally observed, would give substantial support to our Lander Assembly.

We recommend:

1st. That such field work be done as is found possible by the Executive Committee.

2nd. That we again call attention to the value to the church as a whole of Epworth Leagues in our institutions of higher learning and recommend their organization when possible.

3rd. That we request the pastors of churches which have no Leagues

to send some suitable young people to any District Institute held in their district.

4th. That our main objective shall be the strengthening of work already organized, without neglecting the organization in charges where new chapters are needed.

5th. That we thank the Conference for the assessment from 1921-22 and respectfully ask for a like sum for the coming year.

6th. That we request the Bishop to appoint James E. Ellis, as assistant secretary of the General Epworth League Board.

Respectfully submitted,

A. L. GUNTER, President,

R. E. SHARP, Secretary.

REPORT OF EPWORTH ORPHANAGE

In transmitting herewith the report of Brother W. D. Roberts, Superintendent, which covers very fully the work of Epworth Orphanage for the year past, I wish most earnestly to impress upon the members of both Conferences in South Carolina the importance and the urgent need of systematic work on the part of every preacher and Church in the interest of the boys and girls who are entrusted to our care.

If in each charge one thoroughly interested worker is appointed to bring regularly to the attention of the members of the Church the needs and the necessities of the Orphanage, we will have little difficulty in carrying on this great work which we have undertaken, and which, up to the present time, has been so admirably accomplished.

The financial condition of the State has caused most of those who have always been generous, to lessen their gifts; interest due upon many of our mortgages is past due, and we must have the support of every preacher and Church to enable us to maintain the work in hand. It will never do in a State which expends a million dollars each month for gasoline, to permit its orphans to suffer for support in a way creditable to the Methodist Episcopal Church, South.

Let me, therefore, earnestly ask that this situation be not lightly passed over, but I urge that every member take to heart the needs and see to it that the children who must have our care and attention are properly provided for, and I ask our Bishop to add the strength of his voice and influence in interesting the members of both Conferences to thoroughly organize the work in behalf of Epworth Orphanage.

I am, with faith in the Church,

Respectfully yours,

GEO. W. WILLIAMS,
Chairman Board of Trustees
of Epworth Orphanage.

Report of Superintendent October 24, 1922.

To the Board of Control of Epworth Orphanage.

Dear Brethren: I herewith submit my report as Superintendent of Epworth Orphanage for year ending September 30, 1922.

The year has brought many problems in the administration of the

institution. However, these problems have been met and solved with a fair measure of success. The Heavenly Father has been gracious towards us, and a large number of our people have been loyal in helping to care for our children.

During the year we have admitted eighteen boys and seventeen girls, making a total of thirty-five. At present we have two hundred and forty-two children under our care.

Moral and Religious Life.

The Superintendent and all of his co-workers have tried to exercise the most diligent care in looking after the moral and religious life of our children. Daily prayers are held in the Church immediately after the supper hour. The various homes have their prayers before retiring at night, conducted by the children themselves. We have a well organized Sunday school. Our teachers and matrons compose the teaching force. Religious services are held every Sunday afternoon. Rev. A. M. Doggett, our pastor, preaches the second and fourth Sundays. We have various preachers and laymen to conduct the services for us on the other Sundays.

School

We have secured the services of Mr. Arthur M. Jones as Principal of our school. He has the work well in hand, and promises to make a very competent Principal. As most of our friends know, in addition to an Eleventh Grade School, we conduct a Kindergarten Department for those of our children who are too young to enter the first grade. In this way we are able to give definite training to the minds and hearts of our children from the day they enter the institution until they are sent out into the world.

Health

The health of our entire family has been unusually good throughout the entire year. No one has been seriously ill at any time. One of our little girls, Henrietta Todd, was accidentally killed by an automobile. The occurrence was deplorable, but at the same time, we feel that it was unavoidable.

Printing Office.

The printing office has made a very favorable showing during the past year, particularly during the last several months. We have secured the services of Mr. F. E. Bradham as Manager of this department. He is not only a very competent printer, but an energetic solicitor of business. We are now getting all the job work the office can take care of.

During the year the office has netted \$1,565.14.

Dairy and Stock Farm.

Our dairy herd has been very profitable during the past year. It has produced 25,665 gallons of milk. Our feed bill amounted to \$3,215.44,

salaries \$650.00, making a total cost of \$3,865.44. In other words, the cost per gallon was only 15c. The dairy shows a net profit of \$7,556.81. At present we have 31 cows, 7 heifers, 10 calves, 2 bulls (registered).

Hogs

During the year we have butchered 10,080 pounds of meat. This quantity of meat, together with the feeding of the stock carried over, cost only 3½c. per pound.

Poultry Yard.

Our poultry yard was begun in January. At that time we bought 185 hens, and during the year we have raised 40 pullets, so that now we have 222 pure-bred White Leghorn hens. During the eight months they have produced 1,244 dozen eggs, at the cost of 17c. per dozen.

Farm Products and Vegetables.

This has been a fairly successful year with our farm. We have produced sufficient quantity of oats and peavine hay with which to feed our work stock. We produced 80 tons of corn for the silo and ample pasturage consisting of rape, peanuts and sorghum for the hogs.

We have been able to gather at least one (usually several) vegetables from our fields every day during the entire year. At present we are using rape, mustard, turnips, butter beans, cabbage, okra and tomatoes.

Below we give the quantity of each vegetable produced during the year:

Beans, 256 bushels; beets, 1,125 pounds; cabbage, 3,920 pounds; corn, 11,000 ears; okra, 60 bushels; onions, 8,540 pounds; mustard, 1,560 pounds; collards, 600 heads; tomatoes, 164 bushels, tomatoes, 500 gallons canned; peas (English), 43 bushels; peas (field), 20 bushels; potatoes (sweet), 1,400 bushels; potatoes (Irish), 92 bushels; squash, 300; turnips, 1,200 pounds; lettuce, 353 heads.

General Improvements

A system of underground drainage has been installed on the campus. On the farm we have reclaimed about four acres of bottom land by putting in a system of tile drainage. All the terra cotta pipe was purchased at a small cost from the Camp Jackson Salvage Sale.

The driveways leading through the campus have all been built up with sand and clay mixture. The two driveways leading north and south have been extended through the entire campus, converging at the point where Holly street meets our property. Thus forming a horseshoe driveway in front of the Administration Building.

A row of pecan trees has been planted on either side of these driveways. Out of 75 trees set, 73 are living and growing nicely.

During the year the old marble yard buildings have been torn down and moved away. Several other unsightly buildings, which were serving no definite purpose, have been moved out. The peach orchard, which occupied the area adjoining the yards of the Walton and Leonard Homes has been removed to the west side of the campus. The fence has been

removed and this area has been converted into campus. This change relieves the congested condition which has existed in this part of the grounds.

Additional playgrounds have been provided.

We have made several changes in the homes, so that now the girls occupy the west half of the campus, while the boys have the east side.

Parts of the campus have been seeded in various grasses for winter lawns. Most of the seed were donated by the Kirkland Seed Company.

The west wing of the Administration Building is nearing completion. We expect to occupy it by December 1st. This wing makes a very splendid appearance from the outside, and every one is impressed with the convenient appointments, as well as the beauty of the interior. Every Methodist has a reason for pride in this splendid building. It will fill a long felt need in the work of caring for the children at Epworth Orphanage.

Urgent Need of More Liberal Support.

The contributions received from the various Churches, Sunday schools and individuals during the past year have not been sufficient to meet the needs of our children. It has been necessary for us to draw from our reserve fund the sum of \$12,358.75 in order to meet running expenses. We have no reserve fund to draw upon in the future, and unless our people realize the situation and contribute more liberally in provisions, supplies and money, our children must of necessity suffer for many of the things which they should have. We are practicing the strictest economy in caring for our children, and we do not believe that the great Methodist Church is willing that these little ones be deprived of the things that will make for their comfort now, as well as their well being in the future.

We are entering upon the new year with an unbounded faith in the goodness of our Heavenly Father. We have faith, too, in the great body of Methodists in South Carolina that they will see to it that the motherless and fatherless children at Epworth Orphanage shall not suffer for that care and those advantages which God intended every child should have.

Respectfully submitted,

W. D. ROBERTS,
Superintendent.

Resolved, That the Upper South Carolina Conference Board of Finance authorized Dr. Luther Todd to charge against the fund to be raised within

REPORT AND RECOMMENDATION OF THE LAY MEMBERS FROM BOARD OF LAY ACTIVITY

We beg to report:

1. The election of C. P. Hammond as Conference Lay Leader for the year 1922-23.

2. We, the Lay Members of the Upper South Carolina Conference, wish to express our loyalty to our Church, and we pledge our support to all her undertakings; we rejoice in the measure of success she has achieved, and are proud of her good history, and pray for the continuance of God's favor upon us as a Church.

3. We recommend that the organization of all boards of Lay Activities and all Lay Committees in local churches be perfected at the earliest possible moment and that the Lay Leaders of each church secure as early as possible from the Department at Nashville, the manual prepared by the Committee on Lay Activities.

4. We recommend that the Lay Delegates, Lay Members of Boards, and visiting Lay Members at each session of the Annual Conference continue the annual meetings of this organization, and present a program of Lay Activities.

5. We recommend and urge that a strong program be carried out at each District Conference at which time the District Lay Leaders shall secure the attendance of his two associate District Lay Leaders, all of these, and the Presiding Elders, being members of the District Board of Lay Activities.

6. We recommend and urge that the District Board of Lay Activities provide for the use of Lay speakers to conduct services in pulpits when pastors must be absent, this arrangement to be perfected by the Presiding Elder and the District Lay Leader on the one hand, the Committee of Lay Speakers in charge, on the other hand; that through and under the Committee on Evangelism, a group of men and women be organized for personal work in each church, whether upon circuit or in station. The chief object being to lead the unsaved men and women to an acceptance of Jesus Christ as their Saviour, and to enlist them and all church members in Christian activities, such as church attendance, Christian conduct and influence; the family altar in the home, the daily reading of the Bible, etc., and that this group organization shall be planned by the Lay activities of this Annual Conference.

7. We further recommend and urge that the Board of Lay Activities in each local church co-operate with the stewards in making every member canvass at the beginning of each conference year.

8. We recommend that this Annual Conference place an assessment of \$1,000.00 to cover the expense incident to the work, and such meetings of the Conference and Districts Lay Leaders as might be held, the fund to be disbursed by the Conference Board of Lay Activities.

9. We recommend that in addition to the foregoing activities, this organization put forth its major activities during the ensuing year to achieve the following results:

(a) To secure payments in full of all assessments of each local church.

(b) To secure full payments of the pledges made to the Centenary Movement and the Christian Education Movement.

(c) To lead our people into larger liberality through the application to their lives of the Bible standard of giving, and into deeper conviction and appreciation of the Christian truth of the stewardship of life, and of property, and into a broader, richer fellowship of service in and for the Kingdom of God.

10. We urge all Lay Leaders (Conference, District and Church) to attend the meeting proposed to be held in Spartanburg the coming summer and also the Institute being planned for Lake Junaluska the coming summer.

11. We wish to emphasize the fact that we exist to assist the ministry and authorized agents of our Church in carrying forward their enterprises, and to promote all movements looking to the building of the Kingdom. To this end we offer ourselves and our best efforts.

C. P. HAMMOND,

C. P. DAVIS.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE

We, your committee on Sabbath Observance, report the following:

Our duty to regard the Sabbath as a day holy unto the Lord and to use it as a day of rest and worship, and not for business and pleasure, grows out of the fact that its observance is commanded in the Bible, is in the general rules of our Church, and is imbedded in the laws of the state of South Carolina. To keep it holy is the mark of all Christians, is the test of a loyal Methodist, and is absolutely necessary as a qualification of the finest citizenship.

Therefore, be it resolved that all our preachers be requested to preach on the necessity of its sacred observance.

JOHN S. HENLEY, Chairman.

N. F. BENNETT, Secretary.

SUNDAY SCHOOL BOARD REPORT—NO. 1

Your Sunday School Board submits the following for adoption:

1. South Carolina Methodism has always stood, and now stands, for co-operation in the great task of religious education. The sincere desire for such co-operation has been repeatedly expressed, notably in action taken by the Upper South Carolina Conference in session at Union, S. C., November, 1920, in its preamble and in Resolution 3, as follows:

"That Methodists believe in co-operation with other denominations or agencies in such matters, and to whatever extent the denominations or agencies concerned may agree upon;"

and by the South Carolina Conference in session at Georgetown, S. C., November, 1920, in Resolution 3, as follows:

"That while we cannot approve of or join the South Carolina Sunday School Association of the International Sunday School organization, we do believe and are ready for hearty co-operation in a program of religious education of, for and by the churches, and that our Sunday School leaders, through the Executive Committee of the Sunday School Board, are authorized to take steps toward securing a truly representative State organization of, for and by the churches."

While forced at that time to disapprove the actions and policies of the then existing International Association and of the South Carolina Sunday School Association, we have earnestly desired the formation of both a general body and a State organization that would truly permit co-operative work by the various denominations and agencies. We, therefore, rejoice that after years of careful discussion and wise planning there has been formed, by the unanimous consent of both bodies, a merger of the International Sunday School Association and the Sunday School Council of Evangelical Denominations. This new organization, under the name and title of "The International Sunday School Council of Religious Education" has definitely adopted by-laws and principles of correlation, which state that "the responsibility to initiate, promote and supervise the religious education of its constituency devolves upon each denomination," and that "there is a further responsibility resting upon all denominations, for meeting which there has developed voluntary and official inter-denominational organizations. To help meet this common responsibility, the International Sunday School Council of Religious Education has been constituted officially by agreement of the various denominational bodies and territorial associations desiring to co-operate;" and provision has been made for State organizations in harmony with the principles of the new general organization.

2. We are in hearty accord with the action taken by the General Sunday School Board of the Methodist Episcopal Church, South, in session at Lake Junaluska, N. C., July, 1922, relative to the International Sunday School Council of Religious Education, and its statement of conditions for co-operation (See Sunday School Yearbook 1922); under which conditions we stand ready to enter heartily into co-operation with the International Sunday School Council of Religious Education, and into the organization in South Carolina of a State Sunday School Council of Religious Education, organized pursuant to the principles provided therein for the organization of State Councils.

3. The Upper South Carolina Conference authorizes its Sunday School Board to appoint a committee of three on Reference and Counsel, with power, to act with like committees of the several evangelical denominations in South Carolina and with the South Carolina Sunday School Association, to plan for the reorganization of a South Carolina State Sunday School Council of Religious Education that shall, in

spirit and in fact, give opportunity for real co-operation among the Sunday School forces of the State; and the Sunday School Board is authorized to appoint representatives from our Conference, if such organization is formed.

4. The foregoing statement of attitude and purpose is conditioned upon the official announcement from the International Sunday School Council of Religious Education that the Methodist Episcopal Church, South, is a member of the said International Sunday School Council of Religious Education according to the conditions set forth by the General Sunday School Board of our Church.

L. F. BEATY, Chairman.

J. H. MANLY, Secretary.

REPORT NO. 2 OF SUNDAY SCHOOL BOARD

Notwithstanding the diminishing results of the war the Sunday school work of our Conference for the quadrennium now closing shows a distinct advance. The number of officers and teachers has increased from 3,305 to 3,752; the enrollment from 42,837 to 52,782; missionary giving from \$3,500 to \$8,900 per year; Sunday School Day offerings from \$1,900 to \$2,600; and expenditures for Sunday school supplies from \$14,000 to \$29,000.

There has been retrenchment at only one point. Because of the lack of funds, we have been forced to eliminate one of our field workers. This has been done in the face of an unprecedented call for teacher training, and the ripest field for religious education that the Church has ever known. But with the working force available we have done what we could.

The great mass of our youth are being given constantly enlarging opportunities in and rapidly increasing system of graded and high schools. During the last twenty years this State has increased its taxes for public schools about 800 per cent. In the matter of intellectual training our boys and girls are coming to a better day. This brings our Church to a new and enlarged opportunity and responsibility. No child is truly educated whose religious capacities have not been carefully and wisely developed. For this work, the Sunday school is primarily responsible.

Z

We submit the following recommendations:

1. That as soon as funds are available and a suitable person can be found, an assistant Executive Secretary be employed.
2. That our preachers take the teacher-training course and whenever possible conduct teacher-training classes in their charges.
3. That we authorize the creation of a circulating library at our Conference Sunday School Secretary's headquarters, and we recommend the establishment of libraries in our Sunday schools and the awarding of reading course certificates.

That we continue to magnify Children's Week.

5. That Sunday School Day be observed by every Sunday School and that the offering and its uses be magnified.

6. That pastors, officers and teachers together with Church evan-

gelistic committees co-operate heartily in the well defined and thorough going campaign of evangelism to be put on in the late winter and early spring by the General Sunday School Board.

7. That Miss Francis Watson be employed as Conference Superintendent of Elementary Work.

8. That Rev. L. D. Gillespie be appointed for the ensuing year, Executive Field Secretary, and L. F. Beaty be appointed Assistant Editor of Sunday School Literature.

L. F. BEATY, Chairman.

J. H. MANLY, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE AND SOCIAL SERVICE

We rejoice in the progress of prohibition. And we commit our hearty support of the Anti-Saloon League of South Carolina; and to the World League Against Alcoholism. Believing that a dry Europe would save those countries from moral and financial ruin.

We commend our Federal authorities, Governor Harvey of our own state for their stand on law enforcement.

We commend recent efforts of authorities of great universities in different sections of our country, to suppress gambling at ball games.

And urge our colleges, church and state, and high schools, to do all in their power to prevent all forms of gambling by students.

We commend city authorities who have recently closed the pool rooms in their communities. It is our conviction that these tables should not be allowed in our Y. M. C. A. buildings.

We repeat our convictions that Methodist people could not engage in card-playing and dancing.

We call attention to the number of deaths (now over 10,000 a year in the United States) from automobile accidents. We ask our people to support all laws that safeguard the lives and morals from the dangers of the millions of cars now in use.

We reaffirm our attitude taken against the unclean moving picture. And would recommend co-operation with other organizations working for a censorship of the pictures shown in our state.

And also for a censorship for the kind of pictures manufactured in the United States.

The territory of our Conference has come to be one of the greatest manufacturing centers in the world. And we believe the church should study and know the conditions of living and labor, and all the problems affecting the masses of people in these industrial centers, and endeavor to see that right and justice, the basis of good will prevails.

And we suggest that closer co-operation between those managing and those doing the labor would be better for all concerned.

We believe the leaders of the church should keep in touch with the interracial relations. And that there should be a means of communication between the races through the preachers and committees of the two races, thereby preventing clashings, and possibly lynchings.

We should be interested in the negro's welfare both morally and spiritually. We should teach him how to help himself.

We have heard with pleasure the report of the Conference agent for superannuate homes, and are glad to note the progress made. We repeat our recommendation of last year that each church contribute to the fund at the rate of 25 cents per member.

We recommend the appointment of Rev. E. P. Taylor as agent for superannuate homes, without salary, actual expenses to come out of the funds collected.

The presiding elder and district lay leader together with the agent to constitute an executive committee in each respective district.

E. P. TAYLOR, Chairman.

REPORT OF THE BOARD OF MANAGERS OF THE S. C. METHODIST TRAINING CONFERENCE

The third session of the South Carolina Methodist Training Conference was held at Wofford College June 19-30, 1922. It was a successful session. Better work was done than at any previous session. Seventy-six certificates of credit were given by authority of the department of teacher-training of the General Sunday School Board and fifty-seven by its own authority.

The bursar's books were audited and show receipts and disbursement as set out in his report, a copy of which is attached hereto. (See Exhibit "A".)

Your Board begs leave to make the following recommendations:

1. For the sake of uniformity we suggest that the members of the Board of Managers of the South Carolina Methodist Training Conference be selected as follows: The Board of Education at the beginning of each quadrennium shall nominate five who shall by order of the Conference become, along with others similarly selected by the other Conference concerned, the Board of Managers of the South Carolina Methodist Training Conference and hold office till their successors are selected. The Sunday School Field Secretaries shall be ex-officio members of the Board for all the other interests of the Church.

2. That this annual Conference provide a guaranteed assessment of \$1,200 for the South Carolina Methodist Training Conference to be included in the assessment for education and to provide for the payment to the treasurer of the South Carolina Methodist Training Conference on or before June 1, 1923.

Respectfully submitted,

A. J. CAUTHEN, Chairman,

LEO D. GILLESPIE, Secretary.

Report of Secretary.

November 8, 1922.

To the Brotherhood of the Upper South Carolina Conference, Gaffney, South Carolina.

Dear Brethren: I submit my annual report as follows:

1. We have 246 clerical and 40 lay members this year. This is an increase of two clerical members and a slight decrease in lay members.

2. Since my last report to you, seven of our clerical members have passed into the home above—R. M. DuBose, J. L. Stokes, S. B. Harper, D. H. Everett, H. J. Cauthen, W. A. Massebeau, and J. L. Harley. To each widow \$300 was promptly sent from the Brotherhood treasury.

3. Our death rate was quite heavy for the year just closing, but our reserve had grown to \$2,553.08, so we will be able to meet all obligations and still have a fair reserve left.

I attach hereto my report as treasurer for 1921, and also a financial summary for the present year up to November 1st. I wish to call special attention to the fact that all the expenses of the Brotherhood have been covered for the past two years by the interest income on our funds. Thus every cent contributed by our members goes directly to our beneficiaries.

Respectfully submitted,

ALBERT D. BETTS,
Secretary and Treasurer.

After a careful consideration of present needy cases, the Board voted Rev. J. B. Traywick \$200.00.

It was moved that Article II, under by-laws, page 61, of 1921 Minutes, be amended so that the number of laymen on Board of Managers be five instead of three.

W. M. Jones moved that H. B. Carlisle and Jesse Boyd compose a committee to act for us in the interim of Annual Conferences in disbursing amount of income that remains in the Special Relief Fund, after consultation with the Presiding Elder in whose district the object of our consideration may be.

All matters having been cared for, the meeting, on motion, adjourned.

MEMOIRS

BISHOP JOHN C. KILGO

A great man has fallen on sleep! It was known that he had struggled for more than two years with a painful disease which the most skillful treatment could not stay. And he suffered so much that his warmest friends could not murmur when the agony ceased. He was by no means an old man. Church and State might well have hoped for at least ten more years of the splendid and unstinted service which marked all his life.

Bishop John Carlisle Kilgo was born in the Methodist parsonage at Laurens, S. C., July 22, 1861, and died in Charlotte, N. C., on August 11, 1922. He was emphatically well-born. His father, Rev. James T. Kilgo, was a man of high character and unusual ability, and his mother, Catherine Mason Kilgo, was a woman of remarkable piety and rare mental balance. He was proud to be a son of the parsonage, and he always bore the imprint of that lofty home life.

His childhood did not show the extraordinary ability that later years revealed. He was a normal boy of marked respect for older persons, and of unfailing humor among his fellows. He was fortunate in having capable teachers from the beginning. These created in him a thirst to know and to know well that lasted throughout life. He entered Wofford College in 1880 and pursued his studies with conspicuous success to the end of his Sophomore year, when the condition of his eyes forced him to leave college. But he did not give up his purpose of learning. He was appointed to be Agent of Wofford College in 1889, when he again resumed his studies and won his A. M. degree.

In 1882 he entered the South Carolina Conference and served as junior preacher on Bennettsville circuit under the level-headed and pure-hearted Rev. Thomas J. Clyde. This gave him the stamp of the Methodist preacher in his best day. He never forget it. At the Bennettsville Conference, held by him in 1911, the body was thrilled when the young bishop, deeply moved, knelt at the altar with his arms around Thomas J. Clyde. He served various circuits with fidelity and success. The great ability which he showed in these charges caused him to be selected as Financial Agent of Wofford College in 1888. His service in this Agency easily ranked with the faithful labors of the most successful of his predecessors.

In 1894, he was elected President of Trinity College, Durham, N. C., a field which gave him the opportunity for his best and greatest work. No history of education in the two Carolinas can be written without acknowledging the great debt to John C. Kilgo. He transformed a struggling college into a strong institution—acknowledged to be among the foremost in the land. He secured the support of strong men, and among them were men of great wealth. This endures to this day. Trinity cannot forget him and them.

When, in 1910, President Kilgo was elected to the Episcopacy, it was natural to expect him to be a great leader in educational circles. He proved to be that; but he evidently coveted fidelity in all that a bishop

had to do—and if he had any one chief ambition, it was to be a soul winner. It was not an uncommon thing for him to assist some pastor for a week in special evangelical services. No wonder he loved a work which gave him the prophet's place! Any fair estimate ranks him as one of the greatest preachers of our day. The pulpit and platform were recognized as his spheres of power. His fraternal address and his sermon at Los Angeles in 1904 were such marvelous deliverances that well-balanced hearers spoke of him as exceeding in eloquence Wm. Morley Punccheon, Matthew Simpson and other masterful British and Northern Methodist pulpit orators. But he preached sermons just as great here in the Carolinas. After his son Walter was taken from him, there was a new power and pathos in his preaching.

Bishop Kilgo was a wonderfully gifted man in understanding and rendering what the Church needed. The Old Preacher's Claim, Missions, Church Extension, Education—all causes had in him the full service of a master. Every great effort in any department of the Church had his cordial support. He would not stultify himself by reaching after unreasonable aims; but, like the men of Issachar, he "knew what Israel ought to do" and supported that duty with wonderful strength.

It was not an ill-judged act of the Southern Railway in electing this big-brained preacher as a director of that system. And it was like the Bishop to render any real service that he could.

There is no need to particularize as to Bishop Kilgo's work for the Church. As a bishop, on boards too numerous to name, in the home land and abroad, he spent himself to the uttermost. Church schools gave him all degrees and other recognitions of his greatness. As a thinker he was sound and masterful. He had ability to walk the high places of truth, but had common sense enough to refuse to go into modern follies.

As an administrator, he was a master of assemblies. He was full of sympathy and fair to the uttermost. Persons who did not like him and whom he did not like always got more than their desert from him, and the humblest had every right of way to him. Conceited men found in him no flatterer, but had to be content with what they truly deserved.

Bishop Kilgo was a man's man. He thought deeply, and had courage to stand for the truth as he saw it. This led him to face conflict where weaker men avoided it; but when warfare came, it was for the interests of the Church and for the truth.

He had a profound reverence and affection for Methodist pioneers and the type of men made by their hardships. He was picturing the circuit rider in the early days when he swept off its feet the Northern General Conference at Los Angeles. At the same time, no one sympathized more keenly with the young men than he, and no one better kept step with his day and generation in its forward movements.

Bishop Kilgo's long and painful illness was fruitful and threw him utterly upon God. He was alive to the needs and dangers of the time, and it must have been hard to suffer in silence when he longed to lead to the safe and high paths. His comfort and refuge were in God.

He expected divine interposition as fully as Elijah did. And to stand

still and see the salvation of God which was sure to come mellowed his spirit and re-inforced his faith, and it increased and widened his love for human kind.

Bishop Kilgo was at his best in the pulpit; but he exhibited the most charm in his home and among his friends. It was his good fortune to marry Miss Fannie M. Turner on December 22, 1882. She was a true helpmeet, and stood at his side through all his development. Five children were given to them, one of whom, Walter, was taken away in childhood. Mrs. Edna Elias, James Luther Kilgö, Mrs. Fannie Groom, and John C. Kilgo, share the bereavement of their mother. Dr. James W. Kilgo, Rev. Pierce F. Kilgo, and Mrs. Anna Campbell mourn the loss of their distinguished brother.

Our gifted and well beloved brother has gone from us! We will listen no more to the deep things of God as he used to speak them to us. We will hear no more the eloquence that stirred our souls to the uttermost. We will look no more upon his shining face as he preached with the Holy Ghost sent down from Heaven. He is gone from us, and looks now upon the face of Jesus, whom he loved to preach. But our hearts go out in sympathy to all the Church and to those he has left. Let us move with quickened step

"In the way our fathers trod,
They are happy now, and we
Soon their happiness shall see."

Amen.

JOHN O. WILLSON.

REV. JOHN LAWTON HARLEY, 1860-1922

Thirty-five years an effective member of Conference; Six of these years a leader in the great cause of temperance; seven years an evangelist of gifts, graces and fruits. Such distinction marked the life which is the subject of this Memoir.

John Lawton Harley deserved and received the honor and respect of his fellowmen—he won it by his faithful and fruitful labors in the cause of righteousness. His access to the large field of usefulness where he labored so effectively was not gained by means of a ready-made and easy pathway. There were at first mountainous difficulties, but a profound sense of the divine call to service spurred him on. Duty to him was imperative and

On, with toil of heart and head and hands,
He won his path upward and prevailed.

Sixty-two years ago, July 26, 1860, he was born in Orangeburg county, near what is now the town of North. His parents were James Henry and Emily Davis Harley. His childhood was spent on his father's farm. While yet a boy, and before his conversion he was strongly impressed that the voice of God was calling him to the Gospel ministry. It became clearer and clearer that for him to become a Christian meant also to consecrate his life to the work of preaching. At fourteen he joined the Methodist church at Boiling Springs, and at nineteen he came

into the clear experience of conversion. Just as he had anticipated, the call to life service now became imperative and he willingly put his whole life on the altar as a living sacrifice. From that time forward he began to plan and prepare for the work of the ministry. As with many another it was the conscious touch of the Holy Spirit that led him into the larger world of education and usefulness.

During his childhood the month or two each year in the poorly equipped country schools of his home community had supplied him with but little elementary education. Now, however, with that decision of character which marked his entire career, he went about the business of preparing for his lifework. Securing a position in a store in the town of Williston to enable him to pay his board, he entered the public schools of that town and began to study in good earnest. His application brought such satisfactory results that in the fall of 1879 he was admitted to Wofford College. Two years in this institution completed his scholastic training. For several years thereafter he was engaged in teaching in the counties of Orangeburg and Aiken. His work in the school room, together with diligent study in a good theological library to which he had access still further added to his mental training and equipment.

He joined the South Carolina Conference in its session at Spartanburg in 1887, and began the active work toward which he had been looking and planning. Of his life and labors as a Methodist preacher during the past thirty-five years it is unnecessary to speak in detail. So far as figures can tell the story, the worthy results of his earnest and devoted ministry are imbodyed in the minutes of the conference. But the diviner part is woven into the structure of many a worthy Christian character, and treasure in the record book of God.

He served the following charges: Kings Mountain Circuit, 1888, 1889; Chesterfield Circuit, 1890; Clifton Circuit, 1891, 1892, 1893, 1894; Clinton Circuit, 1895, 1896; Cumberland Station, Charleston, 1897, 1898, 1899, 1900; Barnwell Circuit, 1901, 1902. At the Conference of 1902 he was appointed to St. Paul church, Greenville, but in March 1903, he was removed from St. Paul and appointed by Bishop H. C. Morrison to be Superintendent of the Anti-Saloon League of South Carolina. This position he held until January, 1915, when he resigned to accept the work of Conference Evangelist for the Upper South Carolina Conference.

The first year of his work as evangelist three hundred sixty-five people joined the church, and more than seven hundred professed faith in Christ. He continued in the work of Evangelist until his health failed in June of the present year.

As a preacher and pastor Brother Harley was acceptable and successful in the charges to which he was appointed. His special gifts were those of the evangelist. He was fearless and powerful in denunciation of sin, but he was equally gifted and convincing in setting forth the mercy and saving love of God. He based his gospel upon the cardinal truths of redemption. The very heart and soul of his preaching is contained in that gracious and far reaching declaration of the Apostle John, "The blood of Jesus Christ, His Son, cleanseth us from all sin."

In all his work he honored the Holy Spirit, exalting the doctrine of his office and personality. In turn God greatly blessed his labors and everywhere his ministry was attended with gracious spiritual awakenings and numerous additions to the Church.

Living quite near him, during his work with the Anti-Saloon League, the present writer was closely associated with him for several years at Spartanburg. His devotion to the great interests thus committed to him was sincere and effective. He was no cumberer of the ground in this field, but studied the temperance cause in its various phases, and applied all his powers to the great task. Unquestionably he did much to mould public sentiment in favor of prohibition in this state.

On December 15, 1881, he was married to Miss Minnie L. McGregor, daughter of Rev. John Lawton McGregor, of the South Carolina Conference. She and their three sons and three daughters survive him. At the time he began his work for temperance he took up his residence in Spartanburg, and he and his family have continued to make their home there. He loved his home and it was his chief earthly joy to make it a place of beauty and of happiness for his family and friends.

During the closing months of his life the hand of providence laid on him serious bodily affliction. Under such trial his faith never waivered, and he constantly exhibited that courage which always characterized him. In June of this year a serious illness prostrated him and while yet convalescent from this attack, the stroke came which at last proved fatal. To those who were near him during this time he gave assurance that he had absolutely no fear of death, and yet that he desired to regain his health in order to render if possible a few more years of service in the work he loved so well. He felt that the purifying fires of affliction had better prepared him for this work. But as the end approached he faced it with calmness and with an unfaltering trust in his Saviour.

In the final hours when his mind would wander, he thought himself back again at his great life tasks. Now he was on the platform arguing the cause and fighting the battles of prohibition. And now he was in his pulpit preaching the gospel of the unsearchable riches, calling sinners to repentance, and inviting penitents to the altar. Thus unconsciously was revealed the ruling passion of his noble spirit.

About a week before the end came he had his devoted wife to write for him a letter of cheer to the Advocate, stating that he hoped to attend this session of Conference. But when on Wednesday the roll was called and his familiar name was reached, there was no response. He has answered to another roll call. On October 25 he fell on sleep. One of God's faithful soldiers has gone from life's great battlefield to the higher sphere of service. He has heard the angels call the last muster roll, and he has answered "Here." Faithful unto death he has received the crown of life.

C. C. HERBERT.
